#### **2011 Chablis – Les Clos**

**Score: 94**

**2011 Chablis – Les Clos:** (from a .47 ha parcel of 60+ year old vines). Here the expressive and ripe but cool nose offers up plenty of Chablis character in the form of sea breeze and oyster shell along with ample amounts of the typical floral and mineral reduction notes. There is good richness but also plenty of verve to the almost racy broad-shouldered flavors that possess good power and plenty of finishing punch on the mouth coating finale. This is also a remarkably good effort that is ever-so-slightly longer than the Preuses but a bit less complex. **94/2019+**
