Viticulture and winemaking Luis and Dinis Patrão. Mainly Baga (very old interplanted vineyard). Aged 18 months in old (ex Esporão) barriques. Very fine aroma, all the best aspects of Baga – red fruit, light spice, herbs. Polished but deliberate tannins. Tight and also a little creamy on the finish. Oak felt more in roundness than in texture. Would like just a little more edge of acidity (though the pH is only 3.54). (JH)
