Samuel Billaud

2012 Chablis 1er Cru Fourneaux

Score: 92

A wine of depth and gravitas, the 2012 Chablis Fourneaux is quite open and expressive today. I imagine the Fourneaux will be even better in another few years, once some of the underlying minerality begins to emerge from beneath the fruit and the wine fills out its broad-shouldered frame a bit more. The style is built on pure density and richness. **2015+**
