Riesling Hochheimer Domdechane Riesling Trocken Gold

Capsule 2013

Rheingau, Germany

The Wine Advocate Issue #216 Part 2 – January, 2015

Score: 92 Points

Piquant and quite intense in its fruitiness the 2013 Hochheimer Domdechane Riesling trocken Gold Capsule (formerly Spätlese trocken) is less mineral than the dry Kirchenstück but shows a great finesse and elegance and juiciness as well as power, appetizing minerality. Firm and powerful on the palate this is a really expressive and persistent wine, a super second cru if you so will. The bottle Dr. Michel poured me from was open for 10 days but still in top form, so I did not ask for a new one. – SR
